...the same time, the intellect has become more and more

conscious of its own limitations, and of the fact that it is

not the only power in the universe, and that it is not

the only power that is capable of creating a world

of its own. It is this consciousness of its own limitations

that has led to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

idea, and to the development of the religious

God. (Lapidus Ibid:113)

It should be added that Islamic world view while considering the

different situations presented in the statistical analysis of non-structural situations.

The following is a description of the statistical analysis of the non-structural situations.
